DR. S.A. Pillai, MIIRSM (UK)
MANAGING DIRECTOR, IIMSHE

From the Managing Director's Desk

IIMSHE has today emerged as the premier school of Industrial Management focusing in developing professional experts in the field of Industrial Safety, Health, Fire and Environment in addition to many skilled vocational community development programmes on capacity building.

IIMSHE is the first institute of its kind with strong theoretical and practical inputs with proactive partnership of large industrial organizations providing students with real world class learning experiences.

IIMSHE has proved during past years that the institute has focused on producing managers or even leaders and responsible Indian citizen who will serve as role models for others. The Indian ethos lays much emphasis on developing both the intellect and sensibilities of an individual.

IIMSHE gives major emphasis on imbibing the spirit of pristine Indian values like simplicity, honesty, integrity, commitment, contribution and character.

IIMSHE will make every effort to ensure that you are provided with a professional and effective learning environment. The syllabus also includes a project work in the industry as a part of the curriculum. The aim of this project work is to provide the students an opportunity to understand and learn the actual working of the industry by being a part of it in a hands on manner.

IIMSHE has proven records of placements in reputed organizations with attractive package.

IIMSHE welcomes you to be a part of this growing, glorious **IIMSHE** family. We pray for your resounding success in our admission test, group discussion and personal interview and we eagerly look forward to seeing you at our campus during the beginning of the next academic year.

Yours truly,
Managing Director
IIMSHE

LAUNCHING OF INSTITUTE

ADMISSION PROCEDURE

Eligibility : B.E., Diploma in Engineering, B.Sc. (PCM) recognised by Indian Universities with minimum 50% marks.

Candidates who are eligible and seeking admission to IIMSHE are required to observe the following procedure:

- * Applicants are required to fill up the prescribed application form.
- * Application may be obtained from the Institute or may download from the Website : www.iimshe.org
- * Complete the form as required with copies of attested marksheets, Certificates and testimonials.
- * Enclose a demand draft of Rs. 1,000/- only as the registration fee.
- * Submit the completed application form before the last due date as declared.
- * On selection, please complete the other formalities as required by the Institution.
- * The prevailing rules & regulations are mandatory to all students.

CURRICULUM

METHODOLOGY :

IIMSHE offers the regular course through lectures, discussions, case studies, practicals, relevant film shows and factory visits. The students are also required to carry out Industrial project work during the course of the programme, as a requirement under the university syllabus.

PLACEMENT OPPORTUNITIES

The scope of this speciality programme is in very high demand and the industry requirement far exceeds the availability.

IIMSHE has successfully placed the students of previous batches and current batch as well with reputed companies on attractive package. The most attractive feature of the placement is that the students got placed after first semester.

IIMSHE will continue to assist the students for placements in India and overseas including in the corporate sector and multinational companies.
